Introducing Bergen's Nursery!

Bergen's Greenhouses, Inc. added this facility to our properties in August of 2007.

Bergen's Nursery is a wholesale-only plant nursery in Park Rapids, MN. Park Rapids is a two and 1/2 hour drive from the Northwest suburbs of the Minneapolis/St. Paul area. We are also 80 miles east of Fargo, ND.

We specialize in flowering shrubs and perennials, as well as carry a significant variety of coniferous material. Bergen's Nursery ships to locations throughout Minnesota, North Dakota, South Dakota, Iowa, Wisconsin, Nebraska, as well as a little into southern Manitoba.

At Bergen's Nursery, we strive to provide you with a quality plant and back that up with outstanding customer service.

We look forward to the opportunity to service your plant material needs in the future.
